Warranty*: The warranty on Jupiter Science water ionizers begins on the purchase date. The IonLife Lifetime Warranty covers purchaser for LIFE on all parts (bumper to bumper) and for 100% of labor costs in first 5 years. After the first 5 years the purchaser is responsible for any labor costs – to a maximum of \$199. The Ultra Technos is covered for a 1 year warranty only, with free parts, and labor. IonLife will pay for all shipping costs for 1 year, then return shipping up to 5 years from date of purchase. Before any ionizer is returned, the customer must first call IonLife to be issued a Return Authorization Number. Ionizers without an RA Number will not be accepted.

***This warranty** only covers failures due to defects in materials and workmanship which occur during normal use.

***This warranty** does not cover damage which occurs in return shipment, failures which are caused by products not supplied by the warrantor, failures which result from accident, misuse, abuse, neglect, mishandling, faulty installation, misapplication, improper insertion of consumables, set-up adjustments, maladjustment of consumer controls, improper operation or maintenance, alteration, modification, power line surge, improper voltage supply, commercial use, or service by another other than an IonLife authorized repair facility, or damage attributed to acts of God.

***Limits & Exclusions:** there are no express warranties except as listed above. The warrantor is not responsible for incidental or consequential damage; for damages arising out of the use of any unauthorized attachment; or for damages arising out of the product with a defective water faucet and/or for mineral buildup caused by untreated well or hard water. All express and implied warranties, including the warranties of merchantability and fitness for particular purpose, are limited to the applicable warranty period.

Repair and/or replacement will be at the final discretion of IonLife.
